101 Bedford Opens Last Leases

WILLIAMSBURG—101 Bedford will open its final block of 81 studios, one- and two-bedrooms for lease on **January 26**. The Karl Fischer-designed mega development prides itself on its many, many amenities, including 8,000-square-feet of heated sidewalks and an on-site “canine cleaning station.” The 351-apartment development, which began leasing in late July, finds its A and B buildings 95 percent leased, and its C building 70 percent leased.
