Greenwich Village \$595,000 Bedrooms: 1 Bathrooms: 1 Square feet: 595 Maintenance: \$1,151 It's not often that you see a split-level triplex one-bedroom, but here's one, on Thompson Street, with a "spacious" living room featuring a short spiral staircase down to the "open" kitchen and full bathroom and up to the "loft-like" bedroom with its own "amazing, double walk-in" closet. There's also a Juliet balcony. **Agent: Brad Malow, Rutenberg Realty, 917-929-5545.**
