Century 21 NY Metro has appointed **Paul Bologna** as its vice president of rentals. Bologna got his start in real estate years ago at Feitell Real Estate as

an agent. When Andrew Heiberger left Feitell to start Citi-Habitats, Bologna went there to work with him. Recently he was a senior agent at Manhattan Apartments, managing a group of rental agents that generated over \$900,000

in commissions per year. Prior, Bologna worked in the Internet technology space in various management positions.
