Boulan South Beach Opening January 2011!

Just when you think that South Beach has done it all when it comes to spicy lifestyle and over-the-top glitz, it happens: A dynamite condo opens that bumps this awesome neighborhood up another notch! The Boulan South Beach, a lush, perfect size of five residential floors and shops on the first, with to-die-for fashionable units that you won't be able to wait to get your hands on! And believe us when we say you should reserve yours right now. If you don't know South Beach, know this: The good stuff goes like hotcakes because the whole world wants to live in South Beach! Wait until you see the balconies. The end units even sport a wrap-around balcony and many of the 6th floor units additionally have access to a roof terrace! Deco in attitude, but sharp, clean and crisp with today's beautiful finishes, tons of glass and the world's most sought after location! South Florida's premier new address.
