SPiRE Live better

You Earn It. You Keep It. 100%.

Spire is a new kind of company that puts you on top with more money in your pocket. A Kurland Holdings Co., we provide all the listings, training, marketing, and support you need to succeed with no commission split. Same work, higher earnings!

You simply pay one low monthly cost (agent dues) of \$495 and keep 100% of the commission. Never a transaction fee per deal. No other company does it. Not even the "100% commission" firms which charge transaction fees up to \$2,000 tied to the size of every deal.

On your first deal at Spire, you are already making thousands more than traditional agents. On your second, you make even more than those "100% commission" agents.
