Pezenik of DJK discusses three influential women

Phyllis Pezenik

Principal Broker
DJK Residential

In the last 12 months, which project, transaction, honor or accomplishment are you most proud of and why?

We developed a commercial division from the

ground up, in addition to our already successful residential sector that is really beginning to bear fruit. We now have five dedicated commercial agents with some sizable deals in the works.

Who are three women - living or dead - that you would like to have drinks with and why?

Hillary Clinton. She's brilliant and I greatly admire her for numerous reasons. Indra Nooyi, the CEO of PepsiCo, as I admire her honesty and integrity. And J.K. Rowling. She brought herself up from poverty and created an empire out of her own determination and creativity.
