GIMME SHELTER

W. 22nd St. penthouse on the market for \$5.4 million.

White, the former president of the Intrepid Sea, Air and Space Museum and current CEO of Constellations Group, and Eure, an insurance executive at Willis Group Holdings, have hosted many high-profile bashes in their 2,596-square-foot, two-bedroom, 2 1/2-bathroom duplex condo.

The unit has 11-foot ceilings and a master suite with a spa-like bathroom and a large dressing area. Outside, there's a party-ready, landscaped wraparound terrace — with a kitchen, plasma TV and reinforced steel beams — that can accommodate more than 100 people.
