

"Not only is Andy professional, informative, helpful, and friendly, he is genuinely a great guy. He has been so patient with me and my wife during our home search, answering all our questions, and made sure we were getting what was fair during the negotiations and purchasing process. Even after we closed, he would make sure everything was good with our new home. Best RE agent we've worked with thus far. Know you are in good hands."

ZUSER / BOUGHT AN APARTMENT IN LIC, NY IN 2020

"Andy is the first real estate agent I've worked with, and he made the daunting process of purchasing a home very easy. He was always reachable for any questions, kept open lines of communication for new listings, and even helped with personal homeowner advice. Personable, yet straight forward and to the point made my home buying experience feel seamless. You're in good hands with Andy, and I couldn't recommend him enough."

BCMAIL / SHOWED HOMES IN QUEENS, NY IN 2015

"Andy's honesty, common sense, and down to earth nature makes all the stress of any real estate transaction easy to deal with. He was able to rent my apartment relatively quickly (about a month) during a bad rental market in LIC due to this pandemic, where many comparable apartments were offering more incentives. I highly recommend him to anyone."

SANDRA / FOUND A TENANT FOR A SINGLE FAMILY HOME IN QUEENS, NY

"Andy is an amazing agent hands down, both on the buy and sell side! I've met Andy when I first bought my 1br condo in Long Island City about 10 years ago as he was the condo's agent. We kept in touch and I recently reached out to him as I was looking to sell my condo as well as to buy a 2 br condo in the same Long Island City area. The process went very smoothly, a big part because of his tremendous knowledge, expertise, and at the same time a personal touch that he brought to the process. He knew about apt listings that weren't even on the market and that's how I found my apt! My 1br condo sold during the first open house weekend and he was then able to quickly find a 2 br condo that met most of the items on the wishlist. He knows how to negotiate, and is quite fair on both sides, and I appreciated his efforts in making the buying and selling process a stress free experience! I would 100% recommend him to anyone looking in the real estate market! Thanks, Aaron."
